Objective:

Motivated frontend developer with experience in creating responsive web applications using React and Next.js. Proven ability to build user-friendly platforms like Carepulse and Linkup. Seeking to leverage my skills and enthusiasm in a dynamic development team.

Academic Credentials:

- B.Tech in Computer Science, Sardar Beant Singh State University, Gurdaspur (2021-2025)
CGPA: 8.68
- 12th Grade, SDAM College Dinanagar, Punjab School Education Board (2020-2021)

Percentage: 91%

Technical Skills:

- Languages: HTML, CSS, Javascript, Basics of Python
- Frameworks/Libraries: React.js, Next.js, Bootstrap, Tailwind
- Tools: Git, GitHub, Wordpress

Projects:

- **Carepulse – Healthcare Platform**
 - Developed a healthcare platform with React and Next.js.
 - Enable doctor appointment bookings and admin dashboard management.
 - Implemented secure user authentication and appointment management using third-party backend tools.
- **Linkup – Video Conferencing Web App**
 - Built a video conferencing application with React and Next.js.
 - Designed a user-friendly interface with real-time communication features.
 - Ensured a seamless functionality and integration.

Trainings:

- **Summer Industrial Training – Frontend Development**
Excellence Technology, Chandigarh (June-july, 2024)
 - Worked on Carepulse project, focusing on UI development and server-side rendering with React and Next.js.
 - Gained practical experience in UI design and code debugging.
- **Summer Industrial Training – Basics of Python**
Solitaire Infosys, Chandigarh (June-july, 2023)
 - Completed training in Python fundamentals, including syntax, data types, loops and basic programming concepts.
 - Built a strong foundation for future Python projects.

Personal Information:

- Date of Birth: March 4, 2004
- Father's Name: Harwinder Singh
- Address: Gurdaspur, Punjab, India
